

1. Add up the sticker packs!

Add the two numbers. Write the total in the star.

A. $\boxed{2} + \boxed{3} = \star$

B. $\boxed{4} + \boxed{2} = \star$

C. $\boxed{3} + \boxed{4} = \star$

D. $\boxed{5} + \boxed{3} = \star$

E. $\boxed{4} + \boxed{5} = \star$

F. $\boxed{6} + \boxed{4} = \star$

2. Make a celebration sticker!

Draw a picture or kind words. Then color your sticker.

Spread
smiles!

Celebrate
every win!

My sticker celebrates:

1. Check your totals in the stars. Add the two numbers. Write the total in the star.

A. $\boxed{2} + \boxed{3} = \star 5$

D. $\boxed{5} + \boxed{3} = \star 8$

B. $\boxed{4} + \boxed{2} = \star 6$

E. $\boxed{4} + \boxed{5} = \star 9$

C. $\boxed{3} + \boxed{4} = \star 7$

F. $\boxed{6} + \boxed{4} = \star 10$

2. A celebration sticker — example Your design can be different!
